- Designer Paper #1: 5-1/4" x 4"
- Designer Paper #2: 3-1/2" x 2-1/4". Include a reindeer on the pattern.

Instructions:

- Fold card base in half on the score line.
- Add Tear & Tape on the back side of the designer paper layer #1 on the left and right center edges. Cut two pieces of ribbon to measure 5". Wrap the ribbon from the front to

the back on both sides and press in place. Add the 2nd ribbon ¼" below the first ribbon. Glue layer to card base.

- Glue designer paper layer #2 to card front about ¾" from the left side and over the ribbon.
- Cut a scalloped rectangle frame by placing the scalloped contour die that measures 3-3/4" x 2-1/2" on the designer paper and add the rectangle stitched die that measures 3-1/8" x 1-7/8" to the inside of the scalloped die. Cut both dies at the same time to create the frame. Tie a piece of ribbon around the frame on the right and tie into a knot. Add foam adhesive strips to all four sides and glue over the reindeer layer.
- Stamp the sentiment on a strip of Cherry Cobbler Cardstock ½" wide using Tuxedo Black Memento Ink. Trim both ends using the Banners Pick A Punch. Glue to the bottom of the frame.
- Add Wonderful Gems to the background.
