INSTRUCTIONS:

Ghirardelli Purse:

Step 1: Cut (3) pieces of the Peaceful Place Designer Paper to measure 4-1/2" x 4-1/2". Using one piece at a time, cut using the Pretty Pillowbox Dies and making sure that one half of the die is cut completely. (we do not need the other half).

Step 2:

- Place one of the pillowbox designer paper shapes on the cutting machine platform.
- Position the die shown in photo #1, about 1/2" from the scalloped top.
- Secure in place with a post-it note or washi tape.
- Place the clear cutting plate on top of the die half-way over the die only as shown in photo #1. This will cut 1/2 of the die shape only. Run through the machine to cut.
- Fold the cut piece over and glue flat. This creates a handle.
- Repeat for all three designer paper pieces.

Step 3:

- Place one piece of the designer paper purse on a paper cutter and cut, measuring $\frac{1}{2}$ " from the scored line to the end to create a tab. Repeat twice. Trim the tabs on the ends with scissors to make them straight and not curved.

Step 4:

- Add Tear & Tape to one tab and layer the 2nd purse shape over the first one to create the two-sided purse.
- Add Tear & Tape to the center of the inside of one side of the purse and press a Ghirardelli Chocolate in place.

Step 5 ribbon and snowflake:

- Tie a ribbon at the top into a bow. Trim the two ends at an angle.
- Glue a Wonderful Snowflakes to the front of the purse using Stampin' Dimensionals.
- Cut (1) each of the two flower shapes with the dies and Fresh Freesia Cardstock. Glue layered to the center of the snowflake.
- Add Rhinestone Basic Jewels to the center of the flower.

- Card Base: Basic Gray Cardstock 8-1/2" x 5-1/2". Score and fold at 4-1/4".
- Layer #2: Basic White Cardstock 5-1/4" x 4". Glue to card base.
- Layer #3: Fresh Freesia Cardstock 5" x 3-3/4". Use the Stitched Greenery Die to add the leaf texture. Glue to card front using Stampin' Dimensionals.
- Tag: Cut (1) tag using the die with Basic White Cardstock. Stamp the sentiment using Basic Gray Ink. Set aside.
- Purse: Use the 3rd purse shape that was cut out. Cut off the tab on the bottom on the score line. Glue to card front using Stampin' Dimensionals.
- Glue a Wonderful Snowflakes to the front of the purse using Stampin' Dimensionals.
- Cut (1) each of the two flower shapes with the dies and Fresh Freesia Cardstock. Glue layered to the center of the snowflake.
- Add Rhinestone Basic Jewels to the center of the flower.
- Wrap the Fresh Freesia Open Weave Ribbon around the handle with the tag in place and tie into a double-knot. Add a Stampin' Dimensional to the back of the tag and press in place.
