Instructions:

- Fold on all score lines of the tissue holder base. Add Tear & Tape to the first 3/4" section. Fold all scored sections towards the large section for the box shape and press in place.
- Add adhesive to the designer paper layer and glue around the box shape starting at the top of the box and around to the backside.
- Wrap the Boho Blue Textured Ribbon around the small front of the box, inside to outside. Wrap the vanilla baker's twine around the two ends of the ribbon and tie into a bow. Trim the ends of the ribbon at an angle with Paper Snips.

- Follow these steps on the Very Vanilla Cardstock layer:
 - Stamp the sentiment at the top left with Misty Moonlight Ink.
 - Stamp the stars image on scrap paper first and then over the top about 1” horizontally across with the lighter ink color. Repeat by stamping on scrap paper first.
 - Cut (1) tree with Early Espresso Cardstock and the die. Glue to the vanilla layer on the right and trim the bottom flat.
 - Cut (1) partial tree (using the hole only) with Crumb Cake Cardstock. Glue the hole shape to the inside of the Early Espresso tree.
 - Cut (1) of each branch with Early Espresso Cardstock and the dies. Glue to the tree on the left.
 - Stamp the owl image on Very Vanilla Cardstock with Misty Moonlight Ink and quickly color using the inked lines and a Blender Pen to add highlights.
 - Use the Blender Pen and the brown Watercolor Pencil to add more highlights to the owl.
 - Cut the owl with the die and glue to the branches with Stampin’ Dimensionals.
 - Glue vanilla layer to box front.
- Insert a small hand-size tissue pack inside the box.
