INSTRUCTIONS:

Stamp (in Cajun Craze) and punch 7 Pumpkin Pie leaves.
Stamp (in Pecan Pie) and Punch 5 Cajun Craze leaves.
Stamp (in Garden Green) and punch out two Garden Green leaves.

Crumple all the leaves. Sponge Dauber the Cajun Craze leaves.

Arrange and glue leaves as desired. I used a Stylish Shape Garden Green circle (2nd largest) to attach too.
Secure the Cajun Craze leaves as desired.

Die Cut out 3rd, 4th and 5th largest circles out of Pecan Pie.
Emboss the two smaller ones using the Tree Ring embossing folder. The smallest should be done in the center of the ring.
Layer and attached with dimensionals.
Dauber the Largest and attach with doubled up dimensionals.

Add the two Green Leaves using glue.
Create a ribbon channel as shown. Attached another circle on top to

secure the ribbon.

Wrap ribbon around M & M bag to secure Sunflower on the top of the bag. I suggest the bow on the opposite side of the leaves.
