- Miscellaneous: Neutrals Jute Combo Pack (168468), Bag of Reese's Pieces or M&M's

INSTRUCTIONS:

1. Cut a piece of DSP to 4" x 5". (I'm using a piece of white so you can see what it looks like scored.) On the long side score at 7/8". Rotate a quarter of a turn so that the score line is up towards the top. Score all the way down the DSP at 1/2" & 2 1/4". Then short scores to where the scores will meet at 1 3/8" & 3 1/8".

2. Rotate so small squares are at the bottom. Cut away the small rectangle and cut up to where the scores meet. (You should have four equal size flaps.) Add Tear & Tape to the long skinny flap.

3. Fold the bag up flat and seal with the Tear & Tape. Using the Circle Punch, punch the top of the bag.

4. Next using the Tag (Hole) Punch, punch a hole about 3/8" from the top. Push the flat sides of the bag in. Fold the bottom flaps in, squaring them up and adding glue in between each layer. (Determine which two would be the back two and glue those down first.)

5. Die cut the pieces of the sunflower out. Add a dimensional to the back of the flower center and attach the to flower. Next add glue to the back of the stem and attach to the bag. (I didn't glue the leaves down.) Then glue the flower on top of the stem. Stamp the saying and punch out using the Banner Die. Attach it as shown.

6. Fill with candy pieces. Cut a piece of Jute to 6". Pull it apart to fray it into 3 pieces. Fold in half and pull the loop through the hole and sticking the ends of the jute through the loop.
